

JESSICA HANEY

With over 30 years of experience in the art world, Jessica Haney is a seasoned professional. Her work can be seen from stage to skin. As a 1992 Art Institute of Pittsburgh alum, she has turned her vision into an art-driven lifestyle. Her fashion designs can be seen breaking onto the rock music scene as a performance artist in the early 90s. After learning to tattoo in 1995, she saw an outlet to entertain, show off her fashion designs, and integrate her art into a career. Present day, she has built a thriving tattoo/art Studio and loving home in the reclaimed Tuscarawas Avenue grade school in New Philadelphia, Ohio. Along with award-winning tattooing, she is now showing her creativity in wardrobe and set design for music video and movie production.

With a heart for Mineral City, Jessica Haney wants to create something meaningful for her hometown through the LoveTusc Project.
