

THE LOVETUSC PROJECT

BRINGING TUSCARAWAS COUNTY TOGETHER THROUGH PUBLIC ART

Why LoveTusc?

We call Tuscarawas County "home" - a place we take pride in, where we can be with family, meet friends, and discover ways to grow and positively impact our community. It is a place where we can recognize our past, be present in the moment, and look to the future with new opportunities. How can we celebrate all the pieces and uniqueness that make up Tuscarawas County, and create an accessible and equitable project all communities can be a part of?

The goal of the LoveTusc Project: The Tuscarawas County Sculpture Tour is to connect communities across Tuscarawas County through a collaborative public art sculpture series to encourage residents and visitors to experience the county's artistic and cultural identity. The sculptures will be fabricated by Synergy Signs and Graphics in Strasburg while each piece will employ a local artist to capture the spirit and cultural identity of its community through a unique painted design. While the foundation of the sculpture will be the same (in the shape of Tuscarawas County with a heart carved out of the middle), each sculpture will represent the community it will reside in and celebrate what makes up that community.

Coming Summer 2024!

Spanning nearly 104 miles, spend the Summer of 2024 with your family and friends exploring Tuscarawas County, finding all 20 of the LoveTusc sculptures, and showing your love for the county!

The scavenger hunt includes downloading an app and earning points! Participants can earn points by finding the LoveTusc sculptures with the GPS check-in, participating in the photo contest, and answering a trivia question at each stop. Taking a few minutes to complete each task will earn you additional points in the scavenger hunt. When participants visit all the locations with the GPS check-in and complete the tasks, your points will be submitted into our drawing for the Ultimate Prize. The prize will be drawn and the winner will be announced the week of September 18, 2024.

Scavenger Hunt Start Date: Friday, May 27, 2024

Scavenger Hunt End Date: Monday, September 2, 2024
